

DESIGN SYSTEM, RESPONSIVE TEMPLATES & ARCHITECTURAL CONCEPT STUDIES

Room for Everyday Life

দৈনন্দিন জীবনের শান্ত ও সুবিন্যস্ত স্থাপত্য

A comprehensive bilingual web experience and native design system tailored for urban apartment households in Dhaka, Bangladesh. Grounded in functional storage density, seasoned timber craftsmanship, and natural daylight.

LOCATION

Mirpur-10, Dhaka 1216

MATERIAL PALETTE

Burma Teak, Sylhet Cane, Lime, Granite

ACCESSIBILITY

Measured 10.84:1 & 48px Hit Areas

DISCLOSURE POLICY

Strict Truth in AI Visualization

Three Distinct Businesses & Clear Governance Boundaries

Audit of live channels establishing strict entity boundaries and a single owner fact confirmation register.

CORE ENTITY · STUDIO

1. FlowGrid

Independent interior architecture studio in Mirpur, Dhaka. Specializes in bespoke joinery, family apartment space planning, and turnkey execution.

Boundary Rule: Not an appliance retailer; not an influencer fan club; not a generic construction contractor.

COMMUNITY SIBLING · VLOGS

2. Rumi’s Fashionable House

Verified YouTube community (140K subscribers, 2,368 videos, 36.6M views) focusing on lifestyle vlogs, home cooking, and family routines.

Boundary Rule: Founder/community context. Strictly distinct from architectural licensure.

COMMERCE SIBLING · RETAIL

3. Onekta Product

Independent e-commerce seller of practical household essentials, small kitchen gadgets, and home accessories.

Boundary Rule: FlowGrid does NOT host shopping carts or sell retail appliances. Outbound link only.

OPERATIONAL AUDIT · SINGLE FACT REGISTER

Studio Address:

Mirpur-10, Dhaka 1216 (provisional Facebook audit).

Contact Telephone:

+880 1700-000000 (placeholder; unverified FB 01712-402422).

Production Domain:

flowgrid-interiors.com (DNS confirmed pending setup).

Concept Proof:

All 3D visuals are strictly labelled as AI visual studies.

Design Foundations & Authentic Material Register

Semantic color palette, reconciled mathematical contrast ratios, bilingual typography, and authentic materials.

COLOR SYSTEM & RECONCILED CONTRAST CHECKS

Color Token	Hex Value	Usage Context	Measured Ratio	Compliance
Warm Paper	#F4F1E8	Canvas background	Base Canvas	N/A
Deep Pine Ink	#183B35	Headings, body, primary CTAs (on #F4F1E8)	10.84 : 1	PASS (AAA)
Muted Pine Slate	#56645E	Secondary text (on White #FFFFFF)	6.21 : 1	PASS (AA)
Muted Pine Slate	#56645E	Secondary text (on Paper #F4F1E8)	5.50 : 1	PASS (AA)
Terracotta Clay	#895239	Focus rings, category badges (on #F4F1E8)	5.58 : 1	PASS (AA)
Dark Forest Teal	#0D5C52	WhatsApp action (on White #FFFFFF)	7.87 : 1	PASS (AAA)
Soft Mist (Footer)	#DEE7E2	Dark footer links (on #183B35)	9.69 : 1	PASS (AAA)
Light Slate (Footer)	#C4D1CA	Dark footer secondary (on #183B35)	7.76 : 1	PASS (AAA)
Validation Crimson	#9B302B	Error text & outline with icon (on #F4F1E8)	6.52 : 1	PASS (AA)

* Slate on White measures 6.21:1 (AA). Light Slate on Pine measures 7.76:1 (AAA). Soft Mist on Pine measures 9.69:1 (AAA). All ratios mathematically verified from sRGB relative luminance.

BILINGUAL TYPOGRAPHY & SPATIAL SCALE

Bodoni Moda (Display Serif) • 88px / 44px

Editorial monumental display for architectural titles and hero statements.

Noto Sans Bengali • 56px Hero / 17px Body (1.75 Line Height)

Ample vertical measure for Bengali ascenders, descenders, and vowel signs.

Architectural Geometry Policy:

- Media Radius: 0px (Strict architectural squared edges).
- Control Radius: 2px (Tactile softness, never pill-shaped).
- Touch Targets: Minimum 48 × 48 px hit areas across all viewports.

AUTHENTIC MATERIAL PALETTE REGISTER

1. Burma Teak Wood:

Seasoned timber with matte oil finish.

2. Sylhet Woven Cane:

Breathable panels for monsoon humidity.

3. Natural Lime Plaster:

Chuna Polish, glare-free breathable texture.

4. Honed Gray Granite:

20mm stain-resistant kitchen slab.

Gulshan Lakeview Residence — 3 Coherent Spatial Views

Contemporary family living space exploring daylighting, joinery density, and climate-resilient natural materials.

কনসেপ্ট ডিজাইন · AI ভিজ্যুয়ালাইজেশন · বাস্তবায়িত নয়

View 1: Living Hero & Teak Media Wall

Floor-to-ceiling Burma teak media wall with horizontal timber slats, concealed cabling, and integrated low console.

Resolution: 1376 × 768 px

কনসেপ্ট ডিজাইন · AI ভিজ্যুয়ালাইজেশন · বাস্তবায়িত নয়

View 2: Dining & Veranda Daylight Angle

Dining table integration showing unobstructed sightlines, sheer linen drapery, and Dhaka natural afternoon daylight.

Resolution: 1376 × 768 px (Concept Variant)

কনসেপ্ট ডিজাইন · AI ভিজ্যুয়ালাইজেশন · বাস্তবায়িত নয়

View 3: Burma Teak Lap Joint & Brass Inlay

Macro close-up of precision interlocking timber lap joint with polished brass inlay and matte organic oil finish.

Resolution: 1376 × 768 px

Documented Study Assumptions: Hypothetical 1,800–2,150 SFT apartment scenario for research and design exploration. Alternate angles are exploratory variants sharing material language, not photogrammetrically identical rooms.

High-Performance Kitchen & Master Platform Bedroom

Purposeful architectural responses to intensive domestic cooking routines and quiet restful privacy.

কনসেপ্ট ডিজাইন · AI ভিজ্যুয়ালাইজেশন · বাস্তবায়িত নয়

CONCEPT 02 · RESILIENT DHAKA KITCHEN

Resilient Kitchen, Pantry & Galley Layout

Honed 20mm dark granite countertops, open wall shelving, stainless steel fixtures, and compact galley kitchen configuration.

Resolution: 1376 × 768 px · Assumed Study Constraint

কনসেপ্ট ডিজাইন · AI ভিজ্যুয়ালাইজেশন · বাস্তবায়িত নয়

CONCEPT 03 · RESTFUL MASTER BEDROOM

Master Platform Suite & Acoustic Timber Slats

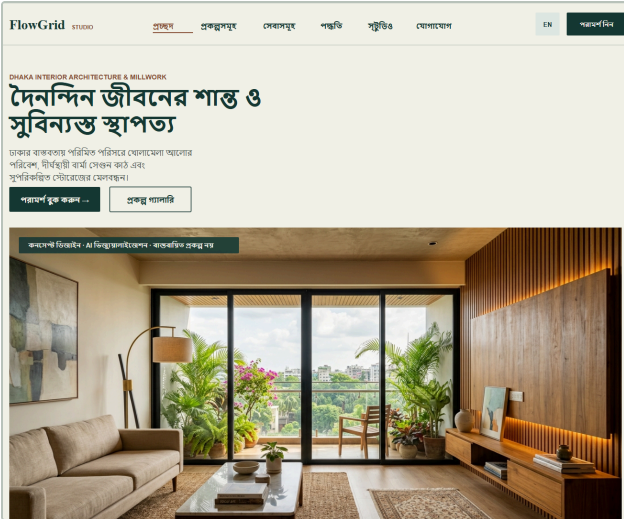

Low-profile teak platform bed, slatted acoustic timber wall panelling, soft diffused lighting, and natural breathable finishes.

Resolution: 1376 × 768 px · Assumed Study Constraint

Desktop Experience Suite & Complete Page Scope

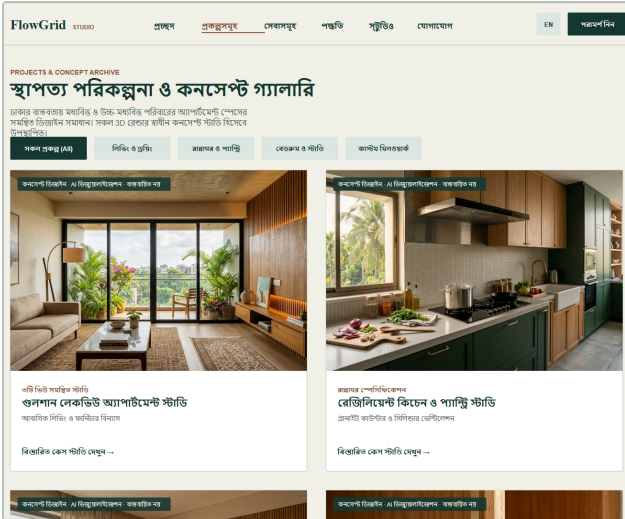

Actual high-fidelity architectural page layouts across 11 templates in Bangla and English at 1440px master resolution.

1. HOMEPAGE (/)

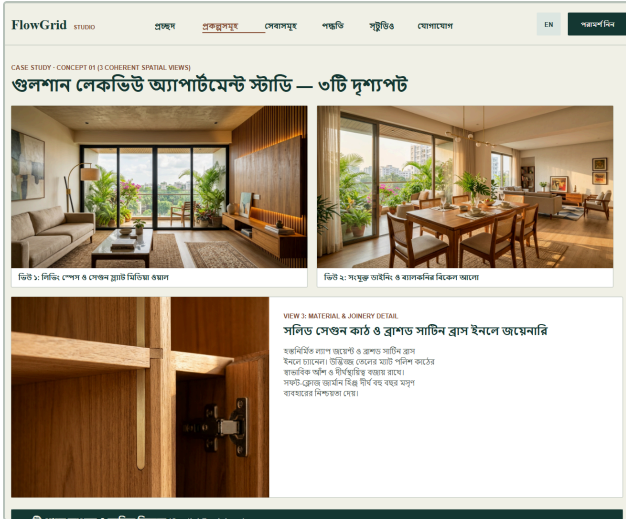

Master Bengali Homepage
Actual render from 1440px board

2. PROJECTS ARCHIVE

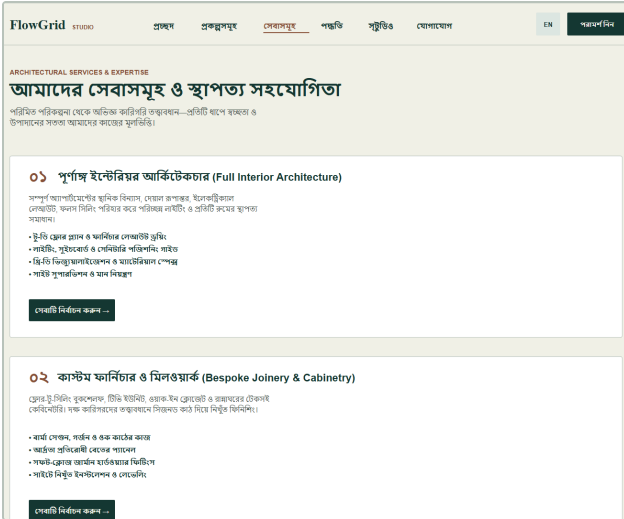

Filterable Concept Archive
Actual render from 1440px board

3. 3-VIEW CASE STUDY

3-View Case Study Template
Actual render from 1440px board

4. SERVICES & JOINERY

Dedicated Services & Joinery
Actual render from 1440px board

Desktop Page Scope: 11 dedicated templates authored at 1440px master resolution in both Bengali and English (Total 22 Desktop page layouts across suite: Homepage, Projects Archive, 3-View Study, Built-Project Framework, Services, Millwork Detail, Process, Studio & Team, Contact Form, Privacy, and 404).

Mobile Experience & Off-Canvas Navigation (390px)

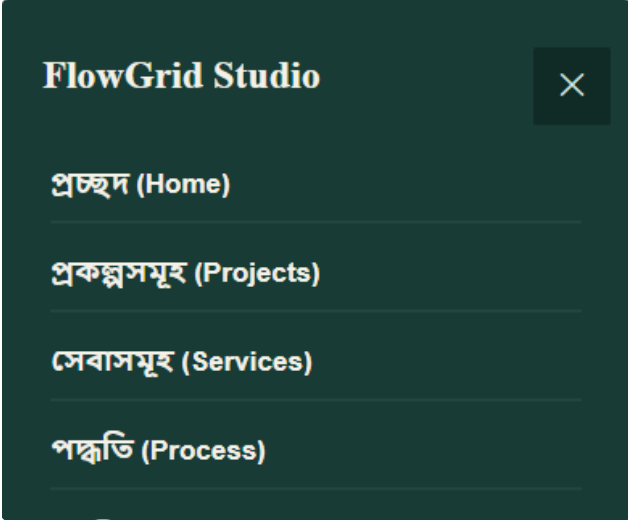

Viewport previews, off-canvas navigation drawer, and fitted 4-field consultation enquiry form.

1. MOBILE HOME PREVIEW

Mobile Home Viewport Preview
Top-of-page render (390px)

2. OFF-CANVAS DRAWER

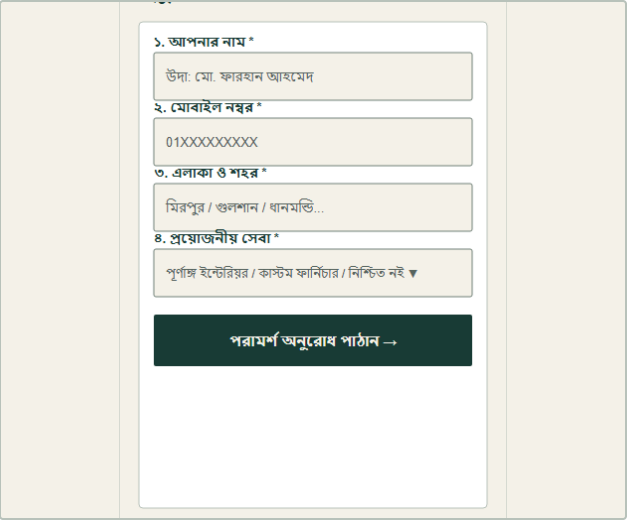

Off-Canvas Drawer Preview
Separate layer; zero footer overlap

3. CASE STUDY PREVIEW

Case Study Viewport Preview
Top-of-study render (390px)

4. COMPLETE 4-FIELD FORM

Complete 4-Field Form (Zero Cut-off)
Header, 4 inputs & 52px CTA all visible

Mobile Suite Coverage: 11 dedicated mobile templates (390px) in Bengali and 11 in English (Total 22 mobile layouts + 2 off-canvas drawers). Previews 1–3 demonstrate viewport styling; Preview 4 fits the complete 4-field consultation enquiry form with 48px touch targets and 52px submission CTA without clipping.

Motion Engineering, Verification Boundary & Next Steps

Restrained kinetics, production CSS tokens, honest accessibility limits, and actionable client business questions.

RESTRAINED MOTION & REDUCED-MOTION CSS

- **Hero Reveal (600ms):** Center hairline split opens dual-wing horizontal mask wipe. Headline and CTAs immediately interactive (zero delayed usability).
- **Card Hover (360ms):** Zero vertical lift (0px), zero shadow explosion. Subtle 1.015 image scale within strict 0px radius frame.
- **Drawer Kinetics:** Unified 220ms enter / 160ms exit slide-out.

```
@media (prefers-reduced-motion: reduce) {
  *, *::before, *::after { animation-duration: 0.01ms !important; transition-duration: 0.01ms !important; }
  .hero-mask { clip-path: none !important; opacity: 1 !important; }
} /* Valid closing brace verified */
```

ACTIONABLE CLIENT BUSINESS QUESTIONS

1. **Vector Logo:** Supply final SVG/AI for official wordmark.
2. **Direct Hotline:** Confirm public mobile number for calls & WhatsApp.
3. **Service Area:** Confirm Dhaka metropolitan vs. nationwide coverage.
4. **Commercial Model:** Clarify design-only consultancy vs. turnkey joinery.
5. **Site Visit Fee:** Clarify if initial spatial consultation is complimentary.
6. **Team Profiles:** Provide verified names & photos for Studio page.
7. **Founder Statement:** Authorize official wording for Rumi's context.
8. **Domain Activation:** Authorize DNS activation for flowgrid-interiors.com.

Verification Status: Implemented in Local SVGs/HTML · Verified via Headless Edge Renders

All 44 page layouts authored in vector SVGs & verified in PNGs · Read-only Figma tool boundary disclosed
